2019-2020 Corporate Sponsor Request

Company Name	
Mailing Address	
Contact Person	
Phone Number	

Team Name: _____ **(Please make checks payable to this team name)**

This Alaska Grizzlies Competitive Hockey Team is in need of financial sponsorships from our local businesses for the 2019-20 hockey season.

These players are a group of very enthusiastic youth hockey players whose work ethic not only shows on the ice, but also off-ice activities. These young players spend many hours each week practicing the sport they love, but they also find the time to maintain their academic commitment and volunteer in the community. All of these players are motivated to play hockey at a competitive level. With the dedicated coaching, we are confident this team will represent Fairbanks well.

It is because of the financial commitment from businesses and individuals that we can begin to make plans to achieve our goals for this season and help these players to continue their dream of playing hockey. Sponsorships to the team will be used for practice ice, game ice, game referees, and travel expenses.

Some opportunities for sponsorship include:

Major Team Sponsor (\$2500 or more): We will provide an individual banner with your business name and logo to be displayed at all home and away games. Additionally, your business name will be listed on our website and any additional publications.

Team Sponsor (under \$2500): We will include your business name and logo on the team banner and on the NAHA website and any additional publications.

Thank You for supporting youth hockey in Fairbanks!
